

# PARENTAL GENERAL CONSENT FOR PHOTOGRAPHING STUDENTS

Regularly in our newsletters, and from time to time for promotional purposes, we take photographs of our students at work and play. These photographs will never be given to third parties (eg, newspapers) unless we contact you personally and you give us specific consent to do so.

If you give the school general consent to use photographs – individual and within groups – for inclusion in our fortnightly newsletters and in occasional school promotional material, could you please sign the form below and return to the school as soon as possible.

Thanks

Geoff

I give the school permission to photograph my child(ren) for use in the fortnightly newsletter, and for occasional school promotion material
