

Parent Payments

POLICY

Rationale:

- The Education & Training Reform Act 2006 empowers school councils to charge parents for goods and services used in the course of instruction of their children, as well as to raise funds. As the quality and variety of educational programs offered by our school are enhanced by doing so, our School Council requests payment from parents for certain student materials and services charges, and for modest voluntary financial contributions.

Aims:

- To provide high quality learning opportunities for all students, by supplementing limited government funds with approved financial contributions and payments from parents.

Implementation:

- School Council supplements Department of Education funds by requesting payments from parents for the following items:-
 1. **Essential Education Items** which parents and guardians are required to provide or pay the school to provide eg: stationary booklists, text books and MARC, MACC etc
 2. **Optional Extras** which are offered on a user pays basis and parents can choose whether or not their child participates eg: swimming, excursions, camps.etc
- Parents will be made aware of the costs associated with all payments by December of the previous year, along with a recommended payments schedule.
- The payments schedule will include itemised details relating to all payments, an option to purchase goods elsewhere (where appropriate), essential payment dates, options to make payments by instalments, clear definitions of the category of any payments, and advice to parents to contact the principal if they require support or additional information.
- All payments and non-payments will be strictly confidential. The public identification of students or their parents where payments have or have not been received will not occur.
- All costs and processes associated with parent payments will be reasonable, and defensible in relation to Department of Education requirements, within the expectations of the school community.
- As with all parent payments to the school, Council will provide opportunities for all parents experiencing financial difficulties to enter into alternative and confidential payment arrangements with the principal.
- Invoices for unpaid **Essential Items** and **Optional Extras** will be mailed monthly.
- Unpaid **Essential Items** payments will not result in any detriment by the school to the student or family. Unpaid **Optional Extras** payments may compromise a student's ability to be involved in the optional activity in the future.
- No collectors of any type, including debt collectors, will be used to obtain funds from parents or students.
- The principal will ensure that all staff are aware of this policy and adhere to it.

Evaluation:

- This policy will be reviewed as part of the school's three-year review cycle. School Council will review the level and purpose of parent payments annually, and in doing so will be consistent with any advice or instruction received from the Department of Education.

This policy was last ratified by School Council in....

15th April 2015
